1. WELCOME FROM THE PRESIDENT

Many thanks for your interest in a career at University College Cork (UCC).

Originally founded in 1845 as "Queen's College Cork", UCC is one of Ireland's oldest institutions of higher learning. Our spectacular campus is situated in a global tourist destination, and serves a community that is both local and global. Ranked in the top 2% of universities worldwide, UCC was named as Ireland's *Sunday Times* University of the Year in 2016, and again in 2017 - the only Irish university to receive this designation in consecutive years. UCC was honoured to be named the World's First Green University Campus (Foundation for Environmental Education, Copenhagen).

UCC has an ancient heritage with a modern focus. Our own Professor Michael J. O'Kelly excavated the world's oldest astronomically aligned structure at Newgrange. Our first Professor of Mathematics, George Boole, wrote his "Laws of Thought" here, which provides the basis for all modern-day computer science.

Our graduates are found excelling in every walk of life throughout the world - from poet to politician, nuclear scientist to philosopher. Today, UCC's student body of some 20,000 includes over 2,800 students from 100 countries across all continents. We employ 2,700 professionals. Over one third of our academic staff has come from overseas. We enjoy many accolades as a high quality employer. The true strength of our university lies in the people who work and study here. The diversity of our workforce and our students is our competitive edge in realising our mission to *"create, preserve, and communicate knowledge and to enhance intellectual, cultural, social and economic life locally, regionally and globally."*

Our vision – UCC: A contemporary Irish university with a global outlook - will, I believe, prove attractive to you. This briefing pack contains information which I hope will be useful and informative should you be selected to attend for interview here in Cork.

I trust that your experience of our recruitment process will be a positive one and I thank you, again, for considering a career at University College Cork.

Best wishes,

Professor John O'Halloran

The building encompasses facilities for teaching, including the undergraduate Pharmacy degree, and research. The building contains several unique facilities which are available to enhance and support research activities including; an Industry Suite, a Processing Suite, an Aseptic Suite and a Clinical Practice Laboratory complete with a model pharmacy. Academic staff in the School are drawn from a variety of disciplines including clinical pharmacy practice, pharmaceutical chemistry, pharmaceuticals, pharmacology, biochemistry and microbiology.

A five-year integrated Pharmacy programme where students graduate with a level 9 MPharm degree has been established. Interdisciplinary teaching with medical and science students is a unique feature of the undergraduate degree. The School also offers two distance education Masters programmes – one in Clinical Pharmacy and the other in Pharmaceutical Technology and Quality Systems.

The School also has a vibrant multidisciplinary PhD research programme. Current research themes include drug delivery, medicinal and pharmaceutical chemistry, pharmacology and therapeutics, and clinical pharmacy practice. The high level of research success achieved is partly due to the extensive degree of collaboration - both inter-disciplinary and inter-institutional. Researchers in the School have interacted with colleagues in Chemistry, Biochemistry, Microbiology, Medicine and also with clinicians in the local teaching Hospitals. Ireland is a home for 24 of the world's top Biotech and Pharma companies, many have plants in the Cork area. 7. UNIVERSITY COLLEGE CORK [UCC]¹²

UCC was established in 1845 as one of three Queen's Colleges at Cork, Galway and Belfast. The site chosen for the college is particularly appropriate given its connection with the patron saint of Cork, St Finbarr. It is believed his monastery and school stood on the bank of the river Lee, which runs through the lower grounds of the University. University College Cork (UCC) is the principal university in the province of Munster and the largest outside Dublin

UCC, provides over 120 degree and professional programmes through some 60 Disciplines.

The University offers an innovative, research-led curriculum, taught by world-class academics that consistently attracts a quality student intake. The University has a recurrent budget of €280 million. UCC comprises four Colleges:

- Arts, Celtic Studies and Social Sciences
- Business and Law
- Medicine and Health
- Science, Engineering and Food Science

¹ See also: <http://www.ucc.ie/en/about/UCCHistory/>

² For alumni of UCC see: <http://www.ucc.ie/en/alumni/who/>

UCC employs some 2,700 staff. The University is committed to building its capacity to carry out research of the highest international quality, and to providing research-lead teaching across the breadth of disciplines and specialisms typical of a traditional university. UCC prides itself on close connections with the professions, industry and the local community. Further information on Academic and Administrative Departments can be found on the UCC web site. The home page address is www.ucc.ie.

The University is directly funded by the Higher Education Authority (HEA), receives grant, fees and other income. Research income has for many years have been the highest in the State (in 2010-11 €80m). The University budgetary strategy continues to focus on decreasing its reliance on Exchequer income and promoting income generation through increasing post graduate and international fee income.

It has benefited very substantially (over half a billion euro) over the past ten years from national programmes aimed at developing research infrastructure, capacity and output, mainly funded through the National Development Plan and in line with the Government's Strategy for Science, Technology and Innovation. UCC has thus developed its key role in plans for the long-term economic and social development of the region and the country.

The University contains a number of highly prestigious research centres including the Alimentary Pharmabiotics Centre – www.ucc.ie/research/apc and the Tyndall National Institute. See <http://www.tyndall.ie/>. Indeed in early 2013, the University has been extremely successful in a recent SFI Research Centre programme, the largest joint state/industry research investment (€300m) in Irish history: UCC is to lead four of the seven centres, co-lead a fifth and is partner in the remaining two centres: <http://www.ucc.ie/en/news/newsarchive/fullstory-215713-en.html>

GOVERNANCE

University College Cork (UCC) was selected as Ireland's University of the Year 2011/12 by *The Sunday Times*. The main campus of UCC is half a mile west of Cork city centre, about 15 minutes' walk along Washington Street. The College Gates on Western Road are ceremonial (foot access only): the entrance to the main campus is on College Road, and there are side entrances on Donovan's Road, Gaol Walk and other entrances on College Road. Other UCC locations around the city tend to have a single main entrance.

There are usually plenty of taxis in the city and at the airport, rail and bus stations, but check the location of the interview and make sure you give the driver the correct address. Taxis from the city centre cost about €8. ABC Taxis (021) 4961961 and Cork Taxi Co-op (021) 4272222 are two taxi firms that operate throughout the city and surrounds.

By Car

From the city centre, follow the signs to Killarney and West Cork: Go west out of the city along Washington Street; go through the first two traffic lights. Pass the River Lee Hotel on your left. Turn left at the third traffic lights by the old College gates (if you are walking you can enter the campus here or through the next gates up Donovan's Hill). Go up Donovan's Road, past the Honan Chapel on your right; At the top of the hill, turn right onto College Road; For the main entrance to the College go 200m further down College Road, on your right. Perrott's Inch car park is located on Gaol Walk and may be reached by passing the main UCC entrance on Western Road and turning left at the next traffic lights. The car park is located on the left hand side before the bridge.

To get to the Perrott Avenue car park, drive to the top of Donovan's Road and turn right into College Road. Perrott Avenue car park will be immediately on your left. If you are driving to UCC for interview, please allow yourself plenty of time to find parking. Detail on: [Visitor Parking](#)
